

I am writing to voice concern over the possibility of losing a radio station, K-LOVE, to the new LPFM stations. This radio station is very important to me as i get news, family-friendly programming, and great music throughout my day. We, as a country, are losing this type of family oriented programming where there is no concern about what words are being spoken, sung, or the topics discussed. If my community were to lose K-LOVE, one of the very few positive, family-oriented media sources would no longer be available. As a result, it is in the publics best interest to keep this radio station and it's positive impact on my community. For this reason i ask that you do not force K-LOVE off the air in favor of the LPFM stations. Thank you for your consideration.
